

## When I'm Weary

Dave Matthews Band

When I'm weary  
When I'm tired  
You remind me  
To keep on trying

There'll be dark, dark days  
More are coming  
Just as sure as this  
Sweet earth beneath my feet

It don't matter  
Come tomorrow  
Together we must face  
What lies ahead

When you're weary  
When you're tired  
Please remember  
To keep on going
