

# You & Me

Dave Matthews Band

1. Want to pack your bags something small  
Take what you need and we'll disappear  
Without a trace we'll be gone gone  
Moon and the stars will follow the car

Then when we get to the ocean  
Gonna take a boat  
To the end of the world  
All the way  
To the end of the world

Oh and when the kids  
Are old enough we're  
Gonna teach them to fly

R: You and me together  
We can do anything baby  
You and me together  
Yes yes  
You and me together  
We can do anything baby  
You and me together  
Yes yes

2. You and I we're not tied to the ground  
Not falling but rising like rolling around  
Eyes closed above the rooftops  
eyes closed we're gonna spin through the stars

Our arms wide as the  
Sky we're gonna ride  
The blue all the way  
To the end of the world  
To the end of the world

Oh and when the kids...

R: You and me together...

\*: We can always look back  
At what we did  
Always the memory of  
You and me baby  
But right now it's you  
And me forever girl  
You know we can do  
Better than anything that  
We did you know that you  
And me we can do anything

R: You and me together  
We can do anything baby  
You and me together  
Yes yes  
The two of us together

We can do anything baby  
You and me together  
Yes yes

The two of us together  
Yes yes  
The two of us together  
We can do anything baby
