

# Mercy

Dave Matthews

Don't give up, I know you can see  
All the world and the mess that we're making  
Can't give up and hope God will intercede  
Come on back, imagine that we could get it together  
Stand up for what we need to be  
'Cause crime won't save or feed a hungry child  
Can't lay down and wait for a miracle to change things  
So lift up your eyes, lift up your heart  
Singing, mercy will we overcome this  
Oh, one by one, could we turn it around  
Maybe carry on just a little bit longer  
And I'll try to give you what you need  
Me and you, and you, and you just wanna be free  
But you see, all the world is just as we've made it  
And until we got a new world I've got to say  
That love is not a whisper or a weakness  
No, love is strong, so we got to get together  
Yeah, gotta get, gotta get, gotta get  
'Til there is no reason to fight  
Mercy, will we overcome this  
Oh, one by one, could we turn it around  
Maybe carry on just a little bit longer  
And I'll try to give you what you need  
Mercy, will we overcome this  
Have we come too far to turn it around  
Ask too much to be a little bit stronger  
But I wanna give you what you need  
Mercy, what will become of us  
Oh, one by one, could we turn it around  
Maybe carry on just a little bit longer  
And I'll try to give you what you need
