

So Damn Lucky

Dave Matthews

Everything's different
My head in the clouds

I hit this corner
With my foot on the gass
I started sliding, I lose it
Everything's different just like that

Oh my God, wait and see
What will soon become of me?
Frozen heart
Screaming wheels
Does that screaming come from me?
So damn lucky, when went on ahead
You say, you say
I see you later
I heard what you said a few minutes later
I'm sliding
Everything's different, again

Oh my God, wait and see
What will soon become of me?
This frozen heart
Screaming wheels
But does that screaming come from me?
I'm dizzy from all this spinning
Now I'm thinking that you did all you could
When you said my love
Take it slowly
Ok, is what I said
Oh my God, wait and see
What will soon become of me?
Frozen heart
Screaming wheels
But does that screaming come from me?
Take me back, just before I was spinning
Take me back, just before I got dizzy
Take me back, amazing what a minute can do
Just like you
So, so, so, so, up, around, around, around
Amazing what a minute can do
Around, Around, Around
Ok....
