

# Some Devil

Dave Matthews

One last kiss one only  
Then I'll let you go Hard for you  
I've fallen  
But you can't break my fall  
I'm broken don't break me  
When I hit the ground

Some devil some angel  
Has got me to the bones  
You said always and forever  
Now I believe you baby  
You said always and forever  
Is such a long and lonely time

Too drunk and still drinking  
It's just the way I feel  
It's alright  
Is what you told me  
Cause what we had was so beautiful  
Feel heavy like floating  
At the bottom of the sea

You said always and forever  
Now I believe you baby  
You said always and forever  
Is such a long and lonely time

Some devil is stuck inside of me  
I cannot set it free  
I wish, I wish I was dead and you breathing  
Just so that you could know  
Some angel is stuck inside of me  
But I cannot set you free

You said always and forever  
Now I believe you baby  
You said always and forever  
Such a long and lonely time

Stuck inside of me
