

## Sunny Day

Dave Navarro

It's a sunny day outside  
Lovely sunny day outside  
Happy butterfly outside  
I'm locked up inside  
I don't know if I can hear another tale of how amazing you can  
be  
I don't know if I can hear another tale of how amazing you can  
be

Such a lovely day outside  
Fairies waiting  
Birds are flying in the sky  
Office meeting  
Perfect temperature outside  
Let's go swimming  
Freezing deep inside

I don't know if I can hear another tale of how amazing you can  
be  
I don't think that I have really ever seen just how amazing you  
can be

I met some friends of mine  
I used to call them friends  
One of them was not so hairy  
One of them was not so scary  
I ran into a girl I knew before I was on TV  
She stopped to get my number  
Cause she said that she was glad to see me

I don't think that I have really ever seen just how amazing you  
can be  
I don't think that I have really ever seen just how amazing you  
can be
