

# Jack Talking

Dave Stewart

Jack talking, this is Jack talking  
He said: "I'm coming to London  
I'm sick and tired of the sun"  
He said: "I'm coming to London  
I'm gonna have some fun"

I says Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)

He said: "Phew I nearly got married  
To a bride in black  
You know she was always so angry  
She's always ready to attack"

That was Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)

I'm gonna tell him what to do because he's such a fool  
He's always looking for the easy way out  
There's only love and hate, time and fate  
The rest is, the rest is, the rest is

Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)

He said: "I'm finished with acting  
Makes you feel like Jesus or John Wayne (Yeah!)  
So I'm coming to London (Yeaheaheaheah!)  
I'm gonna hang out in the rain" (Hang out in the rain)

Ah, it's Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)  
And I love him

He's divine

What's he gonna say?  
Jack, swing it

I'm gonna tell him what to do because he's such a fool  
He's always looking for the easy way out  
There's only love and hate, time and fate  
The rest is, the rest is, the rest is

Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)  
Jack talking (Jack talking to you)

We better listen (Oooh, ooohooooo)  
To that man (Jack talking to you)  
Because he knows things (Jack talking to you)  
Well, we don't understand (Jack talking to you)  
(Jack talking to you)

He's got the world listening (Ooh, ooohooohoo)
