

One More Night

Davey Suicide

Here we are again
Can I beg you to breathe in
It's time for you to go
Can I come in the place that I wasn't invited
I can save you

Remember when we were young
All the things we've done
The warmth of your skin
Lying next to me

God take the blade out from inside

I'd sell my soul just for one more night with you
With you
I'd kiss the devils hand for one more night with you
With you

Turn around, slow down
Why didn't you notice
Notice me at all
Still miss the scent of you
And these feelings inside me
I can save you

God take the blade out from inside

I'd sell my soul just for one more night with you
With you
I'd kiss the devils hand for one more night with you
With you

God please are you listening to me
I might just fall asleep forever

I'd sell my soul just for one more night with you
With you
I'd kiss the devils hand for one more night with you
With you

I'd sell my soul just for one more night with you
With you
I'd kiss the devils hand for one more night
One more night, one more night

I'd burn, for you
I'd burn
