

# Gotta Serve Somebody

David Allan Coe

You may be an ambassador  
To England or France  
You might like to gamble  
You might like to dance  
You may be the heavyweight  
Champion of the world  
You might be a socialite  
With a long string of pearls

But you're gonna have to server somebody  
Serve somebody  
Serve somebody  
Serve somebody  
It might be the Devil  
Or it might be the Lord  
But you're gonna have to serve somebody

You might be a rock and roll star  
Prancin' on a stage  
Plenty of drugs at your command  
Women in a cage  
You might be a business man  
Or some high D grade thief  
They may call you Doctor  
They may call you Chief

But you're gonna have to server somebody  
Serve somebody  
Serve somebody  
Serve somebody  
It may be the Devil  
Or it might be the Lord  
But you're gonna have to serve somebody

Now you may be a state trooper  
You might be a young Turk  
You may even be the head of some great big TV network  
You may be rich or poor  
And you may be blind to change  
You may be living in another country under another name

But you're gonna have to server somebody  
Serve somebody  
Serve somebody  
Serve somebody  
It may be the Devil  
Or it might be the Lord  
But you're still gonna have to serve somebody

May be a construction worker  
Workin' on a home  
Might be living in a mansion  
You might live in a dome  
You may own guns  
You may even own tanks  
You may be somebody landlord  
You may even own banks

But you're gonna have to server somebody  
Serve somebody  
Serve somebody  
Serve somebody  
It may be the Devil  
Or it might be the Lord  
But you're gonna have to serve somebody

Now you can call me Jerry  
Or you might call me Moe  
You may call me David  
Or you might call me Coe  
You call me RJ  
You can call me Ray  
You can call me anything  
I don't care what you say

But you're gonna have to server somebody  
Serve somebody  
Serve somebody  
Serve somebody  
It may be the Devil  
Or it might be the Lord  
But you're gonna have to serve somebody

You might be a rock and roll star  
Prancin' on a stage  
Plenty of drugs at your command  
Women in a cage  
You might be a business man  
Or some high D grade thief  
They may call you Doctor  
They may call you Chief

But you're gonna have to server somebody  
Serve somebody  
Serve somebody  
Serve somebody  
It may be the Devil  
Or it might be the Lord  
But you're gonna have to serve somebody

It may be the Devil  
It might be the Lord  
But you're gonna have to serve somebody

Serve somebody  
Whoa man you're gonna have to serve someone  
Serve somebody  
Serve somebody  
Serve somebody  
Serve somebody  
It might be the Devil  
Serve somebody  
Oh it might be the Lord  
Serve somebody
