

Houston Dallas Or San Antone

David Allan Coe

I got drunk in Austin Texas I missed my plane in North Carolina
Spent all of my money on a long distance call
Huntsville Prison walls so high I'm so lonesome I could die
You could make a grown man cry if you wanted to
Say goodbye to Houston for me give my best to San Antone
Tell Dallas there's a change in plans I won't be comin' home

Dallas lives in Winston Salem we got married in West Virginia
Then we moved to Texas on a fifty acre farm
I robbed a bank and shot a man ended up in Birmingham
But I guess I tipped my hand and wound up in the pen
Say goodbye to Houston for me...

Houston is my oldest daughter says she's leaving for New York C
ity
She's gonna make her living reaching for a star
San Antone's my only son please don't tell him what I've done
Or that I had to use my gun for that I killed a man
Say goodbye to Houston for me...
Say goodbye to Houston for me...
Say goodbye to Houston for me...
