Houston Dallas Or San Antone

David Allan Coe

I got drunk in Austin Texas I missed my plane in North Carolina Spent all of my money on a long distance call Huntsville Prison walls so high I'm so lonesome I could die You could make a grown man cry if you wanted to Say goodbye to Houston for me give my best to San Antone Tell Dallas there's a change in plans I won't be comin' home

Dallas lives in Winston Salem we got married in West Virginia Then we moved to Texas on a fifty acre farm I robbed a bank and shot a man ended up in Birmingham But I guess I tipped my hand and wound up in the pen Say goodbye to Houston for me...

Houston is my oldest daughter says she's leaving for New York C ity She's gonna make her living reaching for a star San Antone's my only son please don't tell him what I've done Or that I had to use my gun for that I killed a man Say goodbye to Houston for me... Say goodbye to Houston for me...
