

I'm Gonna Hurt Her On The Radio

David Allan Coe

I'm gonna hurt her on the radio
She's gonna hear me everywhere she goes
I'll get to her the only way I know
I'm gonna hurt her on the radio.

Take these pieces of my broken heart
And watch 'em climb the country music chart
She's gonna pay me back in royalties
For bringin' me down to my knees.

I'll tell the world the way she done me wrong
And make a million while she sings along
She thinks she's heard the last of my love songs
But she won't feel that way for long.

I'm gonna hurt her on the radio
She's gonna hear me everywhere she goes
She's gonna feel it deep inside her soul
I'm gonna hurt her on the radio

I'm gonna hurt her on the radio
I'm gonna get to her in stereo
She's gonna feel it deep inside her soul
I'm gonna hurt her on the radio
