

## Jody Like A Melody

David Allan Coe

Jody like a melody play inside my head till the thought of you  
is more than I can stand just to think of having you is music to  
my soul you make me feel as though the world is in my hands

Jody like a melody you warm me and then leave me with a chill I  
can't believe the sun will rise without me looking in your eyes  
and knowing that your love has made me strong why you left I'  
ll never know the fire you built will always glow I only know I  
woke to find you gone

Jody like a melody you warm me and then leave me with a chill J  
ody, I can't keep my thoughts about me in the daytime when your  
memory is enough to make me blind and late at night I lie awake  
and wait for you to come and when you don't you know I almost  
lose my mind

Jody like a melody you warm me and then leave me with a chill J  
ody like a melody...
