

# Lately I've Been Thinking Too Much Lately

David Allan Coe

Lately I've been thinking too much lately  
I've been stayin' kinda stoned  
Maybe I need someone who can make me  
Feel like I'm not making it alone  
Lately you've been colder than the weather  
Whether love was right or love was wrong  
Once you told me there was no one better  
Now you say you're better off alone.

Yesterday has ran into tomorrow  
Wrecking every dream we've ever known  
Even though we're lying here together in this bed  
I believe we're laying here alone.  
Lately I've been thinking too much lately

Lately I've been drivin' myself crazy  
Lately this old house ain't been no home  
I thought you were something to hold on to  
When I could not make it on my own  
Lately you've been more than I can handle  
Lately I can't handle being stoned  
Maybe I need someone who can make me  
Feel like I'm not making it alone.
