

Lay My Money Down

David Allan Coe

I am a rollin Gambler
A Gambler all around
Whenever I see a game of chance
I lay my money down boys
Lay my money down boys
Lay my money down

I gambled down in Shreveport
Gambled down in Spain
I won my first wife shootin dice
But I lost her in a poker game

I am a rollin Gambler
A Gambler all around
Whenever I see a game of chance
I lay my money down boys
Lay my money down boys
Lay my money down

I had to pawn my gold watch
Pawned my diamond ring
Sold my sould to the devil
In a game in New Orleans

I am a rollin Gambler
A Gambler all around
Whenever I see a game of cards
I lay my money down boys
Lay my money down boys
Lay my money down

I am a rollin Gambler
A Gambler all around
Whenever I see a game of chance
I lay my money down boys
Lay my money down boys
Lay my money down

I gambled down in Shreveport
Gambled down in Spain
I won my first wife shootin dice
But I lost her in a poker game

I am a rollin Gambler
A Gambler all around
Whenever I see a game of chance
I lay my money down boys
Lay my money down boys
Lay my money down

I'm footloose and fancy free and I lay my money down
