Old Grey Goose Is Dead

David Allan Coe

```
Go tell Aunt Rody go tell Aunt Rody
Go tell Aunt Rody the old grey goose is dead

Grandpa found her dying grandpa found her dying
Grandpa found her dying in the millpond on her head
The gander won't eat now gander won't eat now
Gander won't eat now because his wife is dead
Somebody go tell Aunt Rhody go tell Aunt Rody
Go tell Aunt Rhody that the old grey goose is dead

Let's pray for the babies pray for the babies
Pray for the babies because their mama's dead
Somebody go tell Aunt Rhody...

Lord now go tell Aunt Rhody children go tell Aunt Rhody
Want you to go tell Aunt Rhody tell her that the old grey goose
 is dead
Everybody go tell Aunt Rhody now now go tell Aunt Rhody
Now now go tell Aunt Rhody
Go tell Aunt Rhody tell her that the old grey goose is dead
