

One More Time

David Allan Coe

Yes I know, 'fore you go, I'm gonna miss you
A good piece of ass is hard to find
Before you leave home, go out on your own
I just
Like to fuck you one more time

One more time
I'd like to stick my pecker in you
Even if it's just a quickie
I won't mind

No I won't get your new white dress dirty, baby
I just
Like to fuck you one more time

There is no need to cry, 'cause you're leavin'
Your mother and me, we ain't blind
We both knew someday, you'll go on your way
And I just
Like to fuck you one more time

One more time
I'd like to stick my pecker in you
Even if it's just a quickie
I won't mind

No I won't get your new white dress dirty, baby
I just
Like to fuck you one more time

Heaven knows that you've been a good daughter, baby
And I just
Like to fuck you one more time

Lord I love even you call me dirty
And I just
Like to fuck you one more time
One more time
