Please come to Boston for the springtime I'm staying here with some friends and they've got lots of room You can sell you paintings on the sidewalk By a cafe where I hope to be working soon

Please come to Boston
She said, "No, David, you come home to me"

And she said, "Hey rambling boy, why don't you settle down Boston ain't your kind of town
There ain't no gold and there ain't nobody like me
I?m the number one fan of the man from Tennessee"

Please come to Denver with the snowfall We'll move up into the mountains so far that we can't be found And throw, "I love you" echoes down the canyon And then lie awake at night till they come back around

Please come to Denver
She said, "No, you come home to me"

And she said, "Hey rambling boy, why don't you settle down Denver ain't your kind of town There ain't no gold and there ain't nobody like me I?m the number one fan of the man from Tennessee"

Now, this drifter's world goes 'round and 'round And I doubt if it's ever gonna stop But of all the dreams I've lost and found And all that I ain't got, I still need to lean to Somebody I can sing to

Please come to L.A. to live forever
California life alone is just too hard to build
I live in a house that looks out over the ocean
And there's some stars that fell from the sky a' livin' up on the hill

Please come to L.A.

She just said, "No, David, you come home to me"

And she said, "Hey rambling boy, why don't you settle down L.A. ain't your kind of town
There ain't no gold and there ain't nobody like me
I?m the number one fan of the man from Tennessee"
