

## And So It Goes

David Archuleta

In every heart  
There is a room  
A sanctuary safe and strong  
To heal the wounds  
Of lover's past  
Until a new one comes along

So I would choose  
To be with you  
Say that choice were mine to make  
But you can make decisions too  
And you can have this heart to break

And every time I've felt a rose  
It seems I've only felt the thorns  
And so it goes, and so it goes  
Soon so will you soon I suppose  
And so it goes, and so it goes  
And you're the only one who knows
