

# Complain

David Archuleta

How many times have you said  
If I just had one more  
Dollar in my pocket  
Know that I've felt the same

How many times have you dreamed  
That you could pack up and leave  
Just run away from the trouble  
Baby, I can't complain

'Cause I don't always get everything I wanted  
Doesn't turn out just the way I thought it  
All should be  
Baby, I can't complain

No more wasting my time looking in the mirror  
Wishing my life was a little bit clearer  
No way  
Baby, I can't complain

No way, no way, no way  
Baby, I can't complain

Have you ever believed  
That it's just not your day  
Like the world is against you  
You know we've all felt that way

So far away from my home  
And everything that I love  
But as long as I'm breathing  
Baby, I can't complain

'Cause I don't always get everything I wanted  
Doesn't turn out just the way I thought it  
All should be  
Baby, I can't complain

No more wasting my time looking in the mirror  
Wishing my life was a little bit clearer  
No way  
Baby, I can't complain

No way, no way, no way  
Baby, I can't complain  
No way, no way, no way

Any time, any minute now  
We could fall, it could all crash down  
But I'm not gonna ever live that way  
No way

'Cause I don't always get everything I wanted  
Doesn't turn out just the way I thought it  
All should be  
Baby, I can't complain

No more wasting my time looking in the mirror  
Wishing my life was a little bit clearer  
No way  
Baby, I can't complain

No way, no way, no way  
Baby, I can't complain  
No way, no way, no way  
Baby, I can't complain
