Complain

David Archuleta

How many times have you said If I just had one more Dollar in my pocket Know that I've felt the same How many times have you dreamed That you could pack up and leave Just run away from the trouble Baby, I can't complain 'Cause I don't always get everything I wanted Doesn't turn out just the way I thought it All should be Baby, I can't complain No more wasting my time looking in the mirror Wishing my life was a little bit clearer No way Baby, I can't complain No way, no way, no way Baby, I can't complain Have you ever believed That it's just not your day Like the world is against you You know we've all felt that way So far away from my home And everything that I love But as long as I'm breathing Baby, I can't complain 'Cause I don't always get everything I wanted Doesn't turn out just the way I thought it All should be Baby, I can't complain No more wasting my time looking in the mirror Wishing my life was a little bit clearer No way Baby, I can't complain No way, no way, no way Baby, I can't complain No way, no way, no way Any time, any minute now We could fall, it could all crash down But I'm not gonna ever live that way No wav 'Cause I don't always get everything I wanted Doesn't turn out just the way I thought it All should be Baby, I can't complain

No more wasting my time looking in the mirror Wishing my life was a little bit clearer No way Baby, I can't complain

No way, no way, no way Baby, I can't complain No way, no way, no way Baby, I can't complain
