

Crush

David Archuleta

I hung up the phone tonight
Something happened for the first time
Deep inside it was a rush
What a rush

'Cause the possibility
That you would ever feel the same way about me
It's just too much
Just too much

Why do I keep running from the truth?
All I ever think about is you
You got me hypnotized
So mesmerized
And I've just got to know

Do you ever think
When you're all alone
All that we could be?
Where this thing could go?
Am I crazy or falling in love?
Is it real or just another crush?
Do you catch a breath
When I look at you?
Are you holding back
Like the way you do?
'Cause I'm trying, trying to walk away
But I know this crush ain't going away
Going away

Has it ever crossed your mind
When we're hanging,
Spending time, girl, are we just friends?
Is there more? Is there more? (Is there more)

See it's a chance we've gotta take
'Cause I believe that we can make
This into something that'll last
Last forever, forever

Why do I keep running from the truth? (why do I keep running?)
All I ever think about is you (all I ever think about)
You got me hypnotized (hypnotized)
So mesmerized (mesmerized)
And I've just got to know

Do you ever think (ever think)
When you're all alone (all alone)
All that we could be,
Where this thing could go (go)
Am I crazy or falling in love, (crazy)
Is this real or just another crush (another crush)
Do you catch a breath,
When I look at you,
Are you holding back,
Like the way I do,
'Cause I'm trying, trying to walk away,

But I know this crush ain't going away ya ya ya yaaa
(this crush ain't) going away ya ya ya yaaa
(goin' away) going away ya ya ya yaaa
(when you're all alone
All that we could be,
Where this thing could go)
Going away ya ya ya yaaa
