

# Don't Run Away

David Archuleta

When something's wrong  
And too much to handle  
Try to find some peace of mind  
Let it go.  
Wait a minute, you know this road  
It's gonna leave you on overload

Yeah...  
'Cause somebody cares, yeah

I can see you hurting (turn around)  
I will be right there  
Don't run away When I reach out to you, look around  
I will be right here  
Don't run away Tonight

Hmm...  
Don't make a sound  
I'll be your voice  
You don't need to be afraid  
Anymore  
I'll shine a light out in the dark  
Guide you here no matter how far

Ooooohhh, yeah  
'Cause somebody cares, oh yeah

I can see you hurting, (turn around)  
I will be right there  
Don't run away When I reach out to you, look around  
I will be right here  
Don't run away Tonight

Open up  
Let it all out tonight, yeah  
Open up  
And everything will be alright

I can see you hurting, (turn around)  
I will be right there  
Don't run away When I reach out to you, look around  
I will be right here  
Don't run away  
Oh, away, away, away, away, away  
Don't run away  
Ooh, yeah

Tonight
