

Falling Stars

David Archuleta

When you forget me
When you don't remember my name
Not even a memory
Somewhere in the back of your brain

I won't be offended
'Cause I always knew that the day
Would come when I'm not enough
To make you stay

You tell me it's not possible,
No way that we could break
But nothing is illogical,
Believe me

Like falling stars over your head
We were bound to burn out,
Burn like crashing cars
I'll never get over you, never over you
'Cause you are so
Beautiful,
Yeah

The world is turning,
And time keeps on lingering on
The sun will be burning
Eventually you will be gone

I'll always love you
Oh, believe it or not
Baby, that's not enough to, not enough to stop these...

Falling stars over your head
We were bound to burn out,
Burn like crashing cars
I'll never get over you, never over you
'Cause you are so
Beautiful,
Yeah

When it's all said and done
I'll be just a speck in the galaxy
Floating far away by gravity

Tell me it's not possible
No way that we could break

Like falling stars
Like crashing cars

Like falling stars over your head
We were bound to burn out,
Just like crashing cars
I'll never get over you, never over you,
'Cause you are so
Beautiful

You are so
Beautiful,
Yeah
