

I'm Ready

David Archuleta

I'm ready
I'm ready for a change
I'm not afraid to lose and leave it all behind
And I know
That I can't see around I'd been
But if I let you win I know I'll be alright

Oh I keep going and going
Even if they all stop I keep going
Doesn't matter whose watching tonight
Either way I'll give it all I've got
Cause I only got one life to live
Yeah I only got one life to give
And I know it's gonna change the ending

I'm ready
I'm ready for a change
I'm not afraid to lose and leave it all behind
And I know
That I can't see around I'd been
But if I let you win I know I'll be alright

I've been thinking bout getting up the road
Been thinking bout the doors I've closed
But I know you left one open
When my heart was feeling broken
There's a name we can only breathe
There's a love we can never see
And I know it's gonna change the ending

I'm ready
I'm ready for a change
I'm not afraid to lose and leave it all behind
And I know
That I can't see around I'd been
But if I let you win I know I'll be alright

Hold me just a minute
Hold me just a minute
Can you hold me just a minute now
Hold me just a minute
Hold me just a minute
Can you hold me just a minute now
Hold me just a minute
Hold me just a minute
Can you hold me just a minute now

Time to see it
Gonna get on my way now
Cause when I get there
Yeah oh
Who knows how it'll end
But I know that I'll get there, yeah...

I'm ready
I'm ready for a change
I'm not afraid to lose and leave it all behind

And I know
That I can't see around I'd been
But if I let you win I know I'll be alright

I'm ready
I'm ready for a change
I'm not afraid to lose and leave it all behind
And I know
That I can't see around I'd been
But if I let you win I know I'll be alright

It's a long journey, hey
I know the road is long
But if I just put one
Foot in front of the other
Like you were all supposed to be
You'll stay next to me, ooh ooh
Stay next to me, oh oh
