

In This Moment

David Archuleta

Driving through the city for the first time, you and me
Staring through windows at my own reflection
How can a window encompass perfection

Now that I know what it's like to be living
In this beautiful world will never stop giving
I can't return to a life with no vision
Born in too wise not by my own decision

(And) I wanna be in this moment,
No one can take it from me
(And) I wanna stay in this moment,
No one can take it away from me

Give me a chance and I'll show you what's real
Open your eyes and you'll see
That I'm stuck in a moment and no one can take it from me

I wanna be in this moment,
No one can take it from me
Yeah
I wanna stay in this moment,
No one can take it away from me,
Yeah.
