

# Melodies Of Christmas

David Archuleta

Theres something in the melodies  
That the Christmas season brings  
Joy and laughter in the air  
Smiling faces everywhere

Old familiar melodies  
Bring back special memories  
They remind us  
They remind us

Merrily the choirs sound  
Spreading Christmas joy around  
Filling hearts with cheer  
May it last through all the year

Happy Christmas melodies  
Bring back faded memories  
They remind us  
They remind us

Join us and sing  
The sounds of heavn an nature ring  
With family, rockin round the Christmas tree  
Carols of old, of the greatest story ever told

Sing the melodies of Christmas  
Sing the melodies of Christmas

Theres something bout the melodies  
Of Santa Claus and Christmas trees  
Favorite songs by Nat and Bing  
Elvis, Josh and Celine

Its a special time of year  
Bringing friends and family near  
To remind us  
Of love and kindness

Joyful messages you may find  
Peace and happiness through all mankind  
In the melodies, an offering  
Of the love that flows from the Heavenly King

Raise your voice  
Let us sing  
Its the message that these songs can bring  
Round the fire, round the tree  
Singing carols merrily

Merry Christmas  
Merry Christmas

One more melody to sing at Christmas  
One more memory of Christmas cheer

Old familiar melodies  
Bring back special memories

Filling hearts with Christmas cheer  
May it last through all the year

Something in the melodies  
That the Christmas season brings

Joy and laughter in the air  
Smiling faces everywhere

Happy Christmas melodies  
Bring back faded memories
