

# Reaching Out

David Archuleta

What must I do to make you understand  
You mean everything to me  
Don't have the strength to say  
Give this heart of mine a chance  
And maybe then you will see  
That I'll do anything, do anything that you tell me  
I'll be there, I'll be there, if you need me

Reaching out to you  
Do you feel it to  
Loving you is all I wanna do  
I'm completely sure  
I've never felt this way before  
When I smile, you know that there is something more  
Ohh

What must I do, so I can make you see  
The light that shines in my eyes  
You brighten up my day  
You even help me find my way  
I wish you're always by my side  
And I cant stop, don't know how to stop thinking of you  
I'll do anything, do anything to be near you

Reaching out to you  
Do you feel it to  
Loving you is all I wanna do  
I'm completely sure  
I've never felt this way before  
When I smile, you know that there is something more  
Something more

Reaching out to you  
Do you feel it to  
Loving you is all I wanna do  
I'm completely sure  
I've never felt this way before  
Deep inside you know that there is something more  
Deep inside you know that there is something more
