Something 'Bout Love

David Archuleta

Every night it's all the same You're frozen by the phone You wait, something's changed You blame yourself every day You'd do it again Every night

There's something 'bout love That breaks your heart Whoa oh oh oh It sets you free

There's something 'bout love That tears you up Whoa oh oh oh You still believe When the world falls down like the rain It'll bring you to your knees There's something 'bout love that breaks your heart Whoa oh oh oh... But don't give up There's something 'bout love

When you were young Scared of the night Waiting for love to come along And make it right Your day will come, the past is gone So take your time And live and let live

There's something 'bout love That breaks your heart Whoa oh oh oh It sets you free

There's something 'bout love That tears you up Whoa oh oh oh You still believe When the world falls down like the rain It'll bring you to your knees There's something 'bout love that breaks your heart Whoa oh oh oh... But don't give up There's something 'bout love

Don't fight Don't hide Those stars in your eyes (in your eyes) Let em' shine tonight Let em' shine tonight

Hang on Hang in For the ride of your life It's gonna be alright Hold on tight

There's something 'bout love That breaks your heart Whoa oh oh oh

There's something 'bout love That breaks your heart Whoa oh oh oh It sets you free

There's something 'bout love That tears you up Whoa oh oh oh You still believe When the world falls down like the rain It'll bring you to your knees (to your knees) There's something 'bout love that breaks your heart Whoa oh oh oh... But don't give up There's something 'bout love

Whoa oh oh oh.. Set's you free There's something bout love That tears you up Whoa oh oh oh You still believe When the world falls down like the rain
