

# Touch My Hand

David Archuleta

Saw you from a distance  
Saw you from the stage  
Something about the look in your eyes  
Something about your beautiful face

In a sea of people  
There is only you  
I never knew what the song was about  
But suddenly now I do

Trying to reach out to you, touch my hand  
Reach out as far as you can  
Only me, only you and the band  
Trying to reach out to you, touch my hand

Can't let the music stop  
Can't let this feeling end  
'Cause if I do, it'll all be over  
I'll never see you again

Can't let the music stop  
Until I touch your hand  
'Cause if I do, it'll all be over  
I'll never get the chance again  
I'll never get the chance again  
I'll never get the chance again

I see the sparkle of a million flashlights  
A wonder wall of stars  
But the one that's shining out so bright  
Is the one right where you are

Trying to reach out to you, touch my hand  
Reach out as far as you can  
Only me, only you and the band  
Trying to reach out to you, touch my hand

Can't let the music stop  
Can't let this feeling end  
'Cause if I do, it'll all be over  
I'll never see you again

Can't let the music stop  
Until I touch your hand  
'Cause if I do, it'll all be over  
I'll never get the chance again  
I'll never get the chance again

Saw you from the distance  
Saw you from the stage  
Something about the look in your eyes  
Something about your beautiful face

Can't let the music stop  
Can't let this feeling end  
'Cause if I do, it'll all be over  
I'll never see you again

Can't let the music stop  
Until I touch your hand  
'Cause if I do, it'll all be over  
I'll never get the chance again  
I'll never get the chance again  
(Reach out to you, touch my hand)

I'll never get the chance again  
(Reach out as far as you can)  
I'll never get the chance again  
(Only me, only you and the band)  
Trying to reach out to you, touch my hand, yeah
