

# You Can

David Archuleta

Take me where I've never been  
Help me on my feet again  
Show me that good things come  
To those who wait

Tell me I'm not on my own  
Tell me I won't be alone  
Tell me what I'm feeling isn't some mistake  
'Cause if anyone can make me fall in love, you can

Save me from myself, you can  
And it's you and no one else  
If I could wish upon tomorrow  
Tonight would never end

If you asked me, I would follow  
But for now I'll just pretend  
'Cause if anyone can make me fall in love, you can

Baby, when you look at me  
Tell me what do you see?  
Are these the eyes of someone  
You could love?

'Cause everything that brought me here  
Well, not it all seems so clear  
Baby, you're the one that I've been dreaming of  
If anyone can make me fall in love, you can

Save me from myself, you can  
And it's you and no one else  
If I could wish upon tomorrow  
Tonight would never end

If you asked me I would follow  
But for now I'll just pretend  
'Cause if anyone can make me fall in love

Only you can take me sailing in your deepest eyes  
Bring me to my knees and make me cry  
And no one's ever done this  
Everything was just a lie and I know, yes, I know

This is where it all begins  
So tell me it will never end  
I can't fool myself  
It's you and no one else

If I could wish upon tomorrow  
Tonight would never end  
If you asked me I would follow  
But for now I'll just pretend  
If anyone can make me fall in love, you can

Show me that good things come  
To those who wait
