

# Your Eyes Don't Lie

David Archuleta

I saw you yesterday,  
It's been a while  
You tried but failed  
At holdin' back your smile right then  
It's not over yet, I knew, for you

(You see)  
I couldn't sleep  
I thought of nothin' else  
I needed help  
Everyone was tellin' me  
You were movin' on with someone else  
But what we had was so special  
People can be jealous, oh  
I had to see it for myself

I can see it in your eyes  
You feel the same about us as I  
There is no way the truth can be disguised  
You're still in love with me  
You were never really out of love with me  
Your eyes don't lie

I know I hurt ya,  
I know you are hurtin' still (mmm, yeah)  
But I'll make it up to you  
Yeah, baby, I will  
'Cause what we had was so special  
You know we can't give it up  
Now that I'ma lookin' at you I can see

I can see it in your eyes (your eyes)  
You feel the same about us as I  
There is no way (there is no way) the truth can be disguised  
You're still in love with me  
You were never really out of love with me  
Your eyes don't lie  
And they never will, girl

Oh, now that I know  
We were apart but your heart never let go  
So thank you for showin' me with one look  
What used to be, and still is, a possibility

I can see it in your eyes  
You feel the same about us as I  
There is no way the truth can be disguised  
You're still in love with me  
You were never really out of love with me  
Your eyes don't lie  
Your eyes don't lie
