

Don't Think Twice

David Ball

If you ever think of coming back, don't think twice
Catch the next bus leaving, take my advice
'Cause the door is always open, just walk on through
There'll always be somebody, waiting here for you

Darling, ever since you left for San Antone
This old house is anything, but home sweet home
I wonder, if you're happy now or sad like me
Living in the shadows of what used to be

If you ever think of coming back, don't think twice
Catch the next bus leaving, take my advice
'Cause the door is always open, just walk on through
There'll always be somebody, waiting here for you

You don't have to worry, if I still love you
Just give me a second chance, I'll prove I do
Didn't take my heart too long to realize
I was such a fool to let you say goodbye

If you ever think of coming back, don't think twice
Catch the next bus leaving, take my advice
'Cause the door is always open, just walk on through
There'll always be somebody, waiting here for you

Yeah, the door is always open, just walk on through
There'll always be somebody, waiting here for you
