

# Pick Me Up On Your Way Down

David Ball

You were mine for just awhile  
Now you're putting on the style  
And you never once looked back  
At your home across the track

You're the gossip of the town  
But my heart can still be found  
Where you tossed it on the ground  
Pick me up on your way down

Pick me up on your way down  
When you're blue and all alone  
When the glamor starts to boar you  
Come on back where you belong

You may be their pride and joy  
But they'll find another toy  
When they take away your crown  
Pick me up on your way down

Well, they've changed your attitude  
Made you haughty and so rude  
But underneath, you're still the same  
Hey, I know they're to blame

If you find these thing are true  
I'll be waiting here for you  
As you tumble to the ground  
Pick me up on your way down

Yeah, pick me up on your way down  
When you're blue and all alone  
When the glamor starts to boar you  
Come on back where you belong

You may be their pride and joy  
But they'll find another toy  
When they take away your crown  
Pick me up on your way down
