

Amazing

David Banner

I'll be going ham, I'll be going crazy
I'll be we going hard, hard enough to have a baby
They go out, they tell me I'm amazing
They go out, they tell me I'm amazing

Cause I'll be going ham, I'll be going crazy
I'll be we going hard, hard enough to have a baby
They go out, they tell me I'm amazing
They go out, they tell me I'm amazing

She says she's heading my way (pronto)
Come up to the penthouse we (condo)
She only come over to get bathed (bongo)
Come tonight, stay until the morning (alonzo)
Said she try to conquer and I assist (rondo)
Here to do the bedroom love (follow)
She like a wild rapper, no speech (swallow)
She told me I'm the best and I responded (yeah, I know)
It's sorta like my motto
I see it in her eye, a little pear (madam)
Pop up in my bush taxi, Phantom
It only happens for a few small few (go random)
Now let me shoot you in your Mariah

I'll be going ham, I'll be going crazy
I'll be we going hard, hard enough to have a baby
They go out, they tell me I'm amazing
They go out, they tell me I'm amazing

Cause I'll be going ham, I'll be going crazy
I'll be we going hard, hard enough to have a baby
They go out, they tell me I'm amazing
They go out, they tell me I'm amazing

Since you're feeling good, let me make it!
Better than the it was. What you think later?
Meet at my hotel sweet naked
She was like (no), (pshh), you better take it!
So used to bein' regular,
She don't understand a man ten steps ahead of her
Yeah, I could change your decimal
On your line take you crass grass like egzema
Yeah, she's saying life's like casinos
And I ask her was she all about me, foe
Cause we go!

I'll be going ham, I'll be going crazy
I'll be we going hard, hard enough to have a baby
They go out, they tell me I'm amazing
They go out, they tell me I'm amazing

Cause I'll be going ham, I'll be going crazy
I'll be we going hard, hard enough to have a baby
