

# Californication

David Banner

In californication, yeah, bitch I'm from the country dumb make the nigga soft

Big city nigga come south and get they wigs knocked off  
... I just hustle and flow, find a track to start and pimp on a hoe  
The block got hot a nigga had to get low  
Get the fuck out of... I hit my uncle on the east side  
Trevon, wharrup neph what's cracking  
I wanna visit L.A., I'm already packed  
Been already stacking so we gonna get turned up  
Soon as you land, purple kush gonna get burnt up  
Shit, the next day I'm in the LAX  
Uncle Trey pulled up in a Camaro SS  
Black on black, sitting on 23  
Bumping rich boy like bitch...  
2 bad bitches in the back seat, one of them for me  
Next... name Marie, rolling up some trees,  
... Roll down the window, just to feel the breeze  
It's real nice, feeling like paradise shit  
And all I can see is sunshine and palm trees

Welcome to californication, welcome to californication

Where we're going, to the hood  
Now I wanna see the... shower...  
Fool, that's where the cops be  
I ain't got no driver's license or assurance  
Sure enough the cops put us over on...  
Everybody out the car, the cops set us on the curbe  
They searched the ashtray and found a roach full of herbs  
What's this in that cigar? Medical marijuana officer  
I got a... call  
What condition you smoke weed for?  
Trevon Jones, place your hands behind your back  
You're under arrest for warrants go to court... Monday  
Monday? It's Wednesday man,  
Or maybe Tuesday, you heard me m'aam  
Now if you keep it up, I'll arrest you for obstruction of justice  
Trev like, take the car, fuck this  
Have fun, call my homies, go clubbing with you dumb ass  
At least they ain't found my gun stash

Welcome to californication, you might come for vacation  
Welcome to californication, you might leave on probation  
I'm telling you that  
Welcome to californication, anyone goes, everything goes  
Welcome to californication, californication

I dropped the bitches off, now I'm off to my uncle house

Stopped by the liquor store, nothing but the thugs out  
White teeth and chunks when niggas hit me up like  
Where you from homie?  
Lifted up his shirt on me, Colt 45  
And dawg I wouldn't strap another would walk up like  
Nah, he cool, that's Dave Black, Tray lo folks  
Visiting from Mississippi,  
Pass the pine of Hennesey, here sip this with me

I'm Javon, we're gonna get it popping tonight  
Wassup, Hollywood around, these niggas are flocking at night  
What's flocking? Breaking in homes... burglary nigga, damn you slow  
Oh we kicked it in the hood drinking smoking kush twist up  
Hood rat with the big butt chose up got our dicks up  
Kissed my auntie on the cheek see you later  
Now we 5 niggas deep and...  
The club's off the chain, I'm seeing models and stars  
NBA players straight buying out the bars  
The state of Arizona kinda segregate  
But my dick don't discriminate,  
Black girls white girls, pimping I just like girls  
California girls, Katy Perry tight girls  
Met an Asian with fake tits next to a hype girl  
She took a pot of... sniffing on that white girl  
VIP bottles and all that, this... started pouring out cognac  
... I took a bottle and I cracked that nigga, smacked that nigga  
Security bust me like arrest that nigga  
Tearing up the club, all 5 of us  
Asian bitch grab me like hurry up slide with us  
But the cops were outside stop... to retain me  
Found some coke in her purse, motherfuckers play me  
Next thing you know I'm in the county jail  
I walked and I seen my uncle Tray's right there  
And he's just shaking his head then he laughed at a nigga  
Don't be in the bed, don't let the bright lights fool ya...  
It's been 24 hours I just caught my first case  
I just can't see the honey once I got locked up  
Niggas doing crazy my advice...  
As they tripping on me for no reason...

Welcome to californication, you might come for vacation  
Welcome to californication, you might leave on probation  
I'm telling you that  
Welcome to californication, anyone goes, everything goes  
Welcome to californication, californication
