

# A Big Hurt

David Bowie

To meet her once just to know it through and through  
I know, I know  
But it ain't finished till the fat lady sings  
I know, I know

How can I help you?  
You're just a wanna-be  
I'm a believer  
You're a sex receiver  
And me with a big hurt  
You know I had a big hurt  
From the very start  
I'm hurting so bad  
'Cause you're my roommate  
from hell

CHORUS

Got to take some blows on the stepping stones  
Speak in extremes  
It'll save you time  
You were a saint abroad  
But a devil at home  
Come on here, woo-woo  
And kiss it for me

To meet her once just to know it  
through and through  
I know, I know  
Even a glass eye  
in a duck's ass  
can see that

I know, I know

How can I help you?  
I'm hit with a big hurt  
You know I had  
A great big hurt  
From the very start  
I'm hurting so bad  
And here come the indians oooo

CHORUS

Kiss it for me, woo-woo  
Kiss it for me  
Woo-woo, kiss it for me  
Come on here, woo-woo  
Kiss it for me  
Kiss it where it counts  
Kiss it for me  
Come on here, woo-woo  
Woo-woo, woo-woo, woo-woo, woo-woo  
Kiss it for me
