Almost Grown

David Bowie

Yeah 'n' I'm doin' all right in school They ain't said I broke no rule I ain't never been in Dutch I don't browse around too much Don't bother me, leave me alone Anyway I'm almost grown I don't run around with no mob Got myself a little job I'm gonna buy me a little car Drive my girl in the park Got my eye on a little girl Ah, she's really out of this world When I take her to the dance She's got to talk about romance You know I'm still livin' in town But I done married and settled down Now I really have a ball So I don't browse around at all
