

# Baby Universal

David Bowie

Baby Baby Baby Baby Baby  
(getting) Baby (care)  
Baby (talking)  
Baby (well)  
Baby (thinking)  
Baby (walk)  
Baby (lost)  
Baby (found)  
Baby (getting)  
Baby (care)  
Baby (talking)  
Baby (well)  
Baby (thinking)  
Baby (walk)  
Baby (lost)  
Baby (found)  
Baby (getting)  
Baby (care)  
Baby (talking)  
Baby (well)  
Baby (thinking)  
Baby (walk)  
Baby (lost)  
Baby (found)

Now that he has  
no sense of destination  
Now he's running for the love of speed  
When the child goes bad  
it's no cause for celebration  
Like Jimmy Dean he don't talk back to me

Failures as fathers, Mothers to chaos  
No baby, no baby, no baby no

CHORUS

Hallo humans  
can you feel me thinking  
I assume you're seeing everything I'm thinking  
Hallo humans nothing starts tomorrow  
I'm the baby now

Baby (repeat to end of chorus)  
(getting)  
(care)  
(talking)  
(well)  
(thinking)  
(walk)  
(lost)  
(found)  
Baby Universe  
Baby Universe  
Baby Universal  
(Talking well)  
(Talking well)

A speck of dust  
just settled in my eye  
It doesn't matter  
I've seen everything anyway

Failures as fathers, Mothers to chaos  
No baby, no baby, no baby no
