Bus Stop

David Bowie

There's a cry that is heard in the city From Vivian at Pentecost Lane A shriekin' and dancing till 4 am Another night of muscles and pain I love you despite your convinctions That god never laughs at my jokes

I'm a young man at odds with the bible But I don't pretend faith never works When we're down on our knees Prayin' at the bus stop

Now Jesus he came in a vision And offered redemption from sin I'm not sayin' that I don't believe you But are you sure that it really was him I've been told that it could've been blue cheese

Or the meal that we ate down the road Hallelujah
