Dead Man Walking

David Bowie

He swivels his head Tears his eyes from the screen As his past puts him back in Atlantic City There's not even a demon in Heaven or Hell Is it all just human disguise As I walk down the aisle

And I'm gone gone gone Now I'm older than movies Let me dance away Now I'm wiser than dreams Let me fly fly fly While I'm touching tomorrow And I know who's there When silhouettes fall

And I'm gone Like I'm dancing on angels And I'm gone through a crack in the past Like a dead man walking Like a dead man walking

Two young men dancing under the lamplight Shaking their sex and their bones And the boys that we were An alien nation in therapy Sliding naked and new Like a bad tempered child On a rain slicked street

And I'm gone gone gone And I'm older than movies Oh let me dance dance dance Now I'm wiser than dreams Let me fly fly fly While I'm touching tomorrow And I know who's there When silhouettes fall And I'm gone

And I'm gone, like I'm dancing on angels And I'm gone, through the crack in the past Like a dead man walking Like a dead man Like a dead man Like a dead man

And I'm gone gone gone Let me dance dance And I'm gone gone gone Let me dance dance And I'm gone, like I'm dancing on angels And I'm gone, through a crack in the past Like a dead man walking Like a dead man walking
