

# Girls

David Bowie

Girls, they come and they go  
They kiss, come and they go  
Like breeze brushing my cheek  
Like pain, like the tears on my face

Girls, they come and they go  
Like spirits, they vanish at dawn  
My heart suspended in time  
Like you vanish like tears in the rain

Girls, they take their loves away  
Like spirits living so far away

Girls, pretending to break down and cry  
Girls, whispering wind  
What are they giving away

We used to be so happy  
Remember, remember so happy  
I never knew how lonely  
How lonely, how lonely I could feel

Girls, they come and they go  
They kiss, they come and they go  
Like spirits brushing my cheek  
Like pain, like the tears on my face

Girls, they take their loves away  
Like spirits, living so far away

Girls, pretending to break down and cry  
Girls, whispering wind  
What are they giving away

We used to be so happy  
Remember, remember so happy  
I never knew how lonely  
How lonely, how lonely I could feel
