

Hallo Spaceboy

David Bowie

1. Space boy you are sleepy now.
Your silhouette so stationary.
You're released but your customnyco.
And I want to be free.
Don't you want to be free.
Do you like girls or boys.
It's confusing these days.
But Moondust will cover you.
Cover you.
This chaos is Killing me.

R: So Bye bye love.
Yeh Bye bye love.
Bye Bye love.
Yeh Bye bye love

This chaos is Killng me.
