

I've Been Waiting for You

David Bowie

(I've been looking, I've been looking)
(I've been looking, I've been looking)
I've been looking
For a woman
To save my life
Not to beg or to borrow
A woman with a feeling
of losing once or twice
Who knows how it could be
Be tomorrow

I've been waiting for you
And you've been coming to me
For such a long time now
For such a long time now
A woman with a feeling
Of losing once or twice
Who knows how it could be
Be tomorrow

I've been waiting for you
And you've been coming to me
For such a long time now
For such a long time now
For such a long time now
For such a long time now
