

# I Wish You Would

David Bowie

Early in the morning by the break of day  
That's when my baby went away  
Come back baby I wish you would  
This crying and grieving  
won't do me no good

Hugging and a-kissing, late at night  
You know pretty baby it feels just right  
Come back baby what you're trying to do?  
Turning on me and some other men too

Come back baby give me one more chance  
You know I still love  
you gonna give you romance  
Yeah, romance all night long  
In my arms, oh yeah

[CHORUS]

Hey pretty baby I love you so  
You know pretty baby it hurts me to see you go  
Oh yeah [repeat ad inf.]
