

# Let's Spend the Night Together

David Bowie

Well, don't you worry 'bout what's been on my mind  
I'm in no hurry  
I can take my time  
I'm going red  
and my tongue's getting tired  
Out of my head and my mouth's getting dry  
I'm h-h-h-high

[CHORUS]

Let's spend the night together  
Now I need you more than ever  
Let's spend the night together now

I feel so strong  
that I can't disguise, oh my  
Well, I just can't apologise, no  
Don't hang me up but don't let me down  
We could have fun just by fooling around, and around  
and around

[CHORUS]

Oh, You know I'm smiling baby  
You need some guiding baby  
I'm just deciding baby

[CHORUS]

This doesn't happen to me every day  
No excuses I've got anyway, heh  
I'll satisfy your every need  
And I'll know you'll satisfy me, oh my-my-my my-my

Let's spend the night together  
Now I need you more than ever [3x]

Let's spend the night together  
They said we were too young  
Our kind of love  
was no fun  
But our love  
comes from above  
Do it!  
Let's make love  
Hoo!

[CHORUS]
