

Looking for Satellites

David Bowie

Nowhere, Shampoo, TV, Combat, Boyzone
Slim tie, Showdown, Can't stop
Nowhere, Shampoo, TV, Combat, Boyzone
Slim tie, Showdown, Can't stop
Where do we go from here?
There's something in the sky
Shining in the light
Spinning and far away
Nowhere, Shampoo, TV, Combat, Boy's own
Slim tie, Showdown, Can't stop, (Satellite)

Where do we go to now?
There's nothing in our eyes
As lonely as a moon
Misty and far away
Nowhere, Shampoo, TV, Combat, Boyzone
