Move On

David Bowie

Sometimes I feel The need to move on So I pack a bag And move on Move on

Well I might take a train Or sail at dawn Might take a girl When I move on When I move on

Somewhere, someone's calling me And when the chips are down I'm just a travelling man Maybe it's just a trick of the mind, but Somewhere there's a morning sky Bluer than her eyes Somewhere there's an ocean Innocent and wild

Africa is sleepy people Russia has its horsemen Spent some nights in old Kyoto Sleeping on the matted ground

Cyprus is my island When the going's rough I would love to find you Somewhere in a place like that

Somewhere, someone's calling me And when the chips are down I stumble like a blind man Can't forget you Can't forget you

Feeling like a shadow Drifting like a leaf I stumble like a blind man Can't forget you Can't forget you

Can't forget you Can't forget you
