I'm up on the eleventh floor
And I'm watching the cruisers below
He's down on the street
And he's trying hard
to pull sister Flo
My heart's in the basement
My weekend's at an all time low

'Cause she's hoping to score So I can't see her letting him go Walk out of her heart Walk out of her mind

[CHORUS]

She's so swishy in her satin and tat In her frock coat and bipperty-bopperty hat Oh God, I could do better than that

She's an old-time ambassador Of sweet talking, night walking games And she's known in the darkest clubs For pushing ahead of the dames If she says she can do it Then she can do it, she don't make false claims But she's a Queen, and such are queens That your laughter is sucked in their brains Now she's leading him on And she'll lay him right down But it could have been me Yes, it could have been me Why didn't I say, why didn't I say, no, no, no

[CHORUS]

So I lay down a while
And I gaze at my hotel wall
Oh the cot is so cold
It don't feel like no bed at all
Yeah I lay down a while
And I look at my hotel wall
But he's down on the street
So I throw both his bags down the hall
And I'm phoning a cab
'Cause my stomach feels small
There's a taste in my mouth
And it's no taste at all

It could have been me
Oh yeah, it could have been me
Why didn't I say,
Why didn't I say, no, no, no

[CHORUS]
