David Bowie

1. Talking it all the right way  
Keeping it in the back  
Talking it all the right way  
Never no turning back  
Never need no  
Never no turning back
  2. Flying in just a sweet place  
Coming inside and sail  
Flying in just a sweet place  
Never been know to fail  
Never been no  
Never been know to fail
- R: Wishing you,wishing that sometimes  
Doing it,doing it right,'til one time  
Gets you when you're down  
Ahhh,sometimes,doing  
Wishing sometimes  
Up there,up there  
Oh my darling  
Ah,my darling,ah why?  
Gimme,gimme,up there,gimme,doing  
Talking with me  
Loving it,doing it'til one time
